SWADESHI UDYOG®

A Durable & Dependable Name in Kitchen Equipments

स्वदेशी उद्योग

Introduction

Swadeshi Udyog was established in the year 1999. Mr. Pardeep Salgotra, Proprietor of this company, earlier started Jagdambay Gas Company (now closed) in the year 1985.

We Manufacture All Kinds of Hi-Tech Cooking Equipments, Refrigeration & Exhaust System. Our products are suitably designed to serve your special needs for bulk cooking of various kinds. Available in attractive designs and ranges, these appliances meet all the quality standards set by our distinct & prestigious customers. We supply the Commercial kitchens in establishments like hotels, restaurants, dhabhas, sweet shops, fast food, resorts, hospitals, large canteens and mobile cooking. We have an extensive range of appliances for you to choose from no matter what your need is.

Our aim of planning a kitchen is to achieve a work area with the maximum efficiency, safety and which keeps to a minimum wastage of labour, energy and material. Kitchen design principles remain the same whether you are planning a large or small kitchen, except that space limitations have a bearing on the flow pattern efficiency in smaller kitchens. It is wise to always seek the advice of a professional kitchen designer.

Our Mission is to manufacture best, dependable & durable Indian Equipments so that people forget buying imported equipments. We would design such equipments that would have no worries to our customers with ever lasting qualities.
